

Volvo H-Boat
World Championships
Hanko Finland 2008

Press release, Volvo H-Boat World Championships 2008 Hanko
30th May 2008

Organisation is waiting for confirmations from successful H-Boat sailors

In the end of May there is two months to go to Volvo H-Boat World Championships 2008 in Hanko, Finland. Organisation is working to arrange all facilities as good as possible for the racers and at the same time Finnish H-Boat teams are already competing for the right to compete in World Championships. Quota for Finnish teams is a half of the total racers.

Some teams are already signed up tentatively. Organisation is now waiting for confirmations from successful H-Boat teams such last years' World Champion Hans Peulen from Netherlands, two times World Champion (1997 and 2001) Jan Gustafson from Sweden and Steffen Stegger (DEN) who was second with his team in Switzerland last year.

First training camp and a competition for Finnish H-Boat teams were organised in Lahti last weekend 24.–25. of May. Over twenty teams were practising and trying to find better tactics for their teams. There are 37 Finnish teams which are signed up for the qualification competitions.
